ABOUT US:

Honey Bee Festival 2023 is Sunday, October 1, and we want you to be involved in the Mayor's Signature event. An event to support the Mnídoo Gamii Georgian Bay Biosphere and their efforts to preserve our bees.

Our Township and our bees are located in an UNESCO Biosphere Reserve. We are delighted to share our history, learn from our bee keepers, honour the Honey Bee and raise funds to set in motion policy, education, lifestyle choices that will ensure success for all...but especially the bee.

Opportunity

To support your community

Pollinator (Merchandise Sponsor)

Logo on website with link

Must provide 150 items for centerpieces / gifting at gala

Hive Sponsor \$250

Logo on website with link

" With over 15 years of experience designing native plant pollinator gardens, we see the potential for the Township of Georgian Bay fundraiser to create more patches for pollinators using marginal lands, road shoulders, and wildflower corridors. As urban sprawl, chemical loads, and climate change threaten pollinator habitat, eastern Georgian Bay should be a sanctuary."

- Rebecca Pollock PH.D, Executive Director GBB

Charitable receipt provided at request.
Receipt value will be for sponsor amount less the value of product or service provided.
